**New Resource for TRICARE Europe Beneficiaries, Providers**

Wisconsin Physician Services, TRICARE Europe's claim processor, recently deployed a new website to help beneficiaries obtain important information about the TRICARE Program. In addition to providing general information, the site offers beneficiaries the ability to review the status of claims and obtain duplicate Explanations of Benefits (EOB). Beneficiaries may also update their address and primary health insurance information.

Providers may also register online to obtain eligibility and catastrophic cap information. They may also check the status of claims and obtain duplicate TRICARE EOBs.

Visit [www.TRICARE4u.com](http://www.TRICARE4u.com) for more information.
